The increase may be carried out by cash contribution, or non-cash contribution or conversion of debt and at a price to be determined by the board of directors which cannot be below the market price.*

*New shares issued in accordance with the authorisation must be paid in full, be registered in the names of the shareholders, be negotiable instruments and otherwise in all respects have the same rights as the Company's existing shares. There shall be no restrictions on the transferability of the shares and no shareholder is obliged to have his shares redeemed in whole or in part by the company or a third party."*
